YOUR DAY WITH SEA ALL DOLPHIN SWIMS

Snorkelling is one of the best ways to view the incredible underwater world of Phillip Bay. Starting with Popes Eye- The smallest Marine National Park on the planet, our friendly experienced instructors will be on hand to show you how, assist you with gear and give you a few tips so that you can fully enjoy your experience.

Popes Eye- Snorkel Introduction and Reef Exploration

- See unusual and colourful reef fish
- See coloured sponges, sea squirts, & coloured sea stars.
- See the unique gannet rookery.

Chinaman's Hat Seal Platform- Snorkel with the Australian Fur Seals.

- Snorkel with up to forty Australian Fur Seals in a safe environment, or watch them basking in the sun from onboard.
- Enjoy the antics of the comical Seal Pups who are always keen for a play.
- Observe graceful seals as they swim effortlessly amongst snorkellers.

Swim with and observe Wild Bottlenose Dolphins.

- Enter the water and hold the 'mermaid line' as the curious dolphins approach. Listen quietly and hear them chattering under water.
- Observe the spectacular leaps & lunges while listening to expert interpretation from our patient and qualified instructors.
- Lean over the bow and watch some of the Bay's 80 resident dolphins riding the boats bow waves.

More to enjoy onboard a Sea All cruise.

- Ride in the 'boom net' or share a 'duck board spa' behind the back of the boat.
- Chat with local and international visitors while enjoying a cool drink in the sun or warming cuppa undercover.
- Get a mariner's view of the historic military and maritime installations and historic cliff top mansions of the Nepean Peninsula.
- Learn about our world renowned marine environment from expert marine educators.
- Experience the notorious 'Rip' and watch the huge ships enter the bay in nearby shipping channels.
